Court Case # CR-_____

The Affiant, Thaddeus Conley , being first sworn, says there is probable cause to believe the defendant, Paul William Fails , committed an offense based on the summary of facts below:

On 7-4-2024 at 1722 hours I was dispatched to 1493 Upper Valley Pk at the CVS reference a male refusing to leave.

Upon arrival I spoke to the manager identified as Kari Mcowne. Kari stated that this man was at the store last night taking photos of items on the shelf and left with no problems to the staff. Kari stated that the man was back at the store today since 1345 hours continuing to come in and out of the store taking pictures of items on the shelf. While speaking to Kari, she pointed out the man as he was walking out the front door of the store and stated that she wanted him trespasses from the store.

As I exited the store I observed the man backing out of a parking spot in a white Toyota Camry registration . I got the mans attention and asked him to pull back into a parking space so I could talk to him. The man was observed to be making heavy movement in the car and did not make an effort to park the car. I yelled to the man to park the car and the man yelled back that he was. The man continued driving, leaving the CVS parking lot and approached the intersection at Upper Valley Pk when he was cut off by a civilian in a large truck. I then ran to the vehicle with my side arm in hand, opening the driver door of the car and ordering the man to place his hands on the steering wheel. The man did not want to comply with my order and stated that he had an app on his phone. I ordered the man to place his hands on the wheel again as I called for an additional unit to assist. The man then placed the car in drive and I attempted to reach in the car and stop the man as I was still standing at the B pillar of the car with the door open. The man drove around the truck straight onto Upper Valley Pk without stopping and continued at a high rate of speed south bound on Upper Valley Pk.

Clark County Deputy A. Reynolds observed the vehicle traveling south on Upper Valley Pk at a high rate of speed. Deputy Reynolds attempted to catch up to the vehicle but was unable to due to the vehicles high rate of speed. Deputy Reynolds drove by the residence that the registration of the car returns to shortly after he spotted the vehicle. Deputy Reynolds observed a vehicle that matched the description of the suspect vehicle covered under a black tarp. The man was later identified as Paul Fails to be the man driving the car,

At 2001 hours, myself, Deputy Reynolds, and Deputy Shultz with the Clark County Sheriffs Office went to the address that the car was registered at and made contact with John Fails. I asked him if Paul Fails was home and he said yes and went and brought Paul to the front door where he was placed under arrest. The white Toyota Paul was driving was located on the property parked on the side of a shed with a black tarp on the ground in front of it. Paul was read his rights and was questioned. Paul stated that the staff of CVS had never asked him to leave the store and that his reason for fleeing was because that truck had pulled in front of him and he didnt know who I was or what was going on and that he was scared.

Paul was transported to the Clark County Jail where he was booked and was served his charges later that evening.

No further incident. Ofc. T. Conley #495.
