Thursday, May 9, 2024 23:16 **0115 Tpr. Bishop, Nickolas Louis**

On May 9th 2024, at approximately 2107 hours I was dispatched to a single vehicle crash on Columbus Avenue near Croft Road. I arrived on scene and observed a white Chevrolet Impala off the south side of the roadway against a tree. Evidence at the scene showed that the Impala had driven off the right side of the roadway and struck a tree and a utility pole. I approached the vehicle and the driver, Chad Dyer was unconscious and was being tended to by medical personnel. As I approached the vehicle a strong odor of an alcoholic beverage was emitting from the vehicle and there were multiple open containers scattered throughout the debris field. A green bag of THC edible was wedged underneath the drivers seat against the dashboard. The Impala's impact with the tree was so fierce that the engine had been displaced and off the north side of the roadway. The floorboard was displaced from the frame and slid forwards. Within the debris field a loaded firearm was recovered. The firearm was Springfield Armory-XDS-9 was placed in the rear of my vehicle. A witness to the crash stated that the Impala had attempted to pass another vehicle on a double yellow. The driver of the Impala was taken to Miami Valley Hospital via Careflight. Due to the totality of the circumstances, the driver was deemed impaired.

When the driver is released from Miami Valley hospital he will be issued a citation for OVI, Failure to Control, No seat belt, open container and improper handling.

The firearm was test fired and found to be operational.
