STATEMENT OF FACTS

Your Honor,

On Thursday, August 22nd 2024 at approximately 0034 hours Trooper Bishop and I were on patrol on South Limestone Street, Trooper Bishop was serving as my field training officer (FTO). I was wearing the uniform of the day and patrolling in a fully marked patrol car. We observed a white pickup truck traveling southbound on South Limestone Street at a high rate of speed. We checked the vehicles speed at 45 miles per hour in a posted 35 mile per hour speed limit zone with our front BEE III radar. After turning around to conduct a traffic stop I observed the vehicle make a marked lanes violation over the white dotted line. We activated our emergency lights to conduct a traffic stop. The vehicle pulled over onto East Grand Avenue. Trooper Bishop made a passenger side approach and I made a driver side approach and made contact with the driver, Paul Packer. While I explained the reason for the stop to Paul, Trooper Bishop observed a glass smoking pipe on the passenger side floor. I observed Paul's eyes were bloodshot, his pupils were dilated, and burn marks on his lips. Due to Paul showing these signs of impairment I had him exit the vehicle to perform Standardized Field Sobriety Tests. Before starting the tests Paul was read his Constitutional Rights.

The first test I conducted was the Horizontal Gaze Nystagmus test. I explained the Horizontal Gaze Nystagmus test to Paul and he stated that he understood and had no questions. Paul's eyes tracked equally and his pupils were similar in size. Resting Nystagmus was not present. During the test I observed that Paul was making unusual comments, he was giggly, and had dry mouth. No clues were observed during this test.

The second test I administered was the Walk and Turn. I placed Paul in the instruction position while I demonstrated and explained the test. Paul needed several demonstrations and explanations of the test before being able to start the test. During my demonstration Paul moved his feet to keep his balance. Paul stated that he understood the test and had no questions. During the test Paul showed the following clues: moves feet to keep balance, starts before instructed, stops while walking, steps offline, and incorrect number of steps. A total of five (5) of eight (8) clues were observed during this test.

The third test I administered was the One Leg Stand. I demonstrated and explained the test to Paul and he stated that he understood. Paul started the test for approximately three seconds before putting his foot down and refusing the test. During the test I observed him swaying to keep his balance.

I placed Paul under arrest for OVI and Trooper Bishop readvised him of his Constitutional Rights. Paul was searched placed in the rear of the patrol car. Inventory was conducted on Paul's vehicle and it was towed by Buckeye's Towing. Paul was transported to the Springfield Post where he was read the BMV 2255 which was witnessed by Trooper Bishop. Paul refused to provide a urine sample. Paul was issued a citation OVI, speed, driving under suspension, no seatbelt, marked lanes, and fictitious plates. Paul was released from the post to a friend via HP-60.
