CLARK COUNTY, OHIO

MUNICIPAL COURT

IN THE MATTER OF:

CASE NO. 24 SPM 00101

AFFIDAVIT OF MICKEAL WALTERS  
CHARGING ERIKA MICHELLE LEE  
WITH CRIMINAL ACTS

MOTION TO COMPEL

---

Now comes Affiant, Mickeal Walters, and respectfully moves this Court to ask or order the second reviewing official, Clark County Prosecuting Attorney, to comply in determining if probable cause exists or does not exist regarding criminal charges against Erika Michelle Lee. Furthermore, Affiant, Mickeal Walters, respectfully moves this court to order the prosecutor to comply with Ohio Constitutional Article 1, Section 10a, commonly referred to as "Marsy's Law" to follow up with victim and/or victims affected by Lee's actions in reviewing this matter as ordered by this court.

On October 1st, 2024, an affidavit was filed for a judge to review to determine if probable cause existed for criminal charges to be filed based on Ohio Revised Code Section 2935.09 & 2935.10.

On October 7th, 2024, Judge Daniel Carey, after a judges's panel on a previously related filing, court ordered that all matters set forth in the Affidavit filed on October 1st, 2024 be referred to the Clark County Prosecuting Attorney (another reviewing official as stated in ORC 2935.09(A)) for further investigation and determination whether any prosecution is warranted.

Since October 7th, 2024, no determination or reviewing of this case has been completed by the prosecutor/reviewing party as ordered after the said order date. As of December 27th, 2024, 80 days have passed and would be fitting as "unreasonable time" with no response from the second reviewing party in this case.

Affiant, Mickeal Walters requests the court, respectfully, to order the second reviewing official to comply in reviewing and determining if probable cause exists or does not exist regarding criminal charges against Erika Michelle Lee and to comply with Marsy's Law as set forth in the Ohio Constitution so that this case can proceed to reach a Final Appealable Order.

Respectfully Submitted,
