Incident Summary

I initiated a traffic stop for a vehicle that was towing a utility trailer without functioning tail lights after dark. The driver fled, leading to a pursuit that ended when they lost control and crashed into a telephone pole. After the crash, the driver attempted to escape on foot but was apprehended shortly after while hiding in a bush. Suspected narcotics were found in the vehicle.

Summary of events for incarceration.

On April 11, 2025, at 10:55pm I attempted to make a traffic stop on a vehicle pulling a utility trailer that was failing to display tail lights or a license plate. The driver operated the vehicle at high speeds, attempting to flee from the traffic stop. The driver fled north on SR-4 for approximately 16 miles at speeds in excess of 90 miles per hour. During the vehicle pursuit, the driver passed other vehicles in a marked hazardous zone. The driver lost control and crashed into a telephone pole on SR-4 near Wing Road in Mechanicsburg and fled the vehicle on foot. The driver was found hiding under a bush in the front yard of 4511 Wing Road.

Inside of the glove box a suspected controlled substance was located.

The driver, Tyler Matthew Druck, had an active warrants for his arrest.

**1864 Sgt. Slanker, David G**

On March 11, 2025, I monitored radio communications from Trooper Bennett, who was engaged in a vehicle pursuit with a fleeing suspect. Trooper Shelton joined the pursuit as it progressed northbound on State Route 4 from Home Road, continuing into Champaign County.

During the pursuit, the fleeing vehicle crashed into a telephone pole on State Route 4, just north of Mechanicsburg, near Wing Road. The driver then exited the vehicle and fled on foot. Upon my arrival at the scene, I assisted in establishing a perimeter while the Ohio State Highway Patrol Aviation unit commenced an aerial search for the suspect.

During the search, I discovered the soles of work boots hidden under a bush in the front yard of 4511 Wing Road. I issued verbal commands and successfully took the male suspect, identified as Tyler Druck, into custody without incident.

Mr. Druck reported no injuries and declined a medical evaluation. He explained that he fled due to his suspended driver's license and fear of his truck being towed.

I transported Mr. Druck to the Springfield Highway Patrol post, where I documented small abrasions on his knuckles and redness on his left knee with photographs, but he again declined any medical attention.

Trooper Bennett subsequently assumed custody of Mr. Druck.

*On April 11, 2025, at approximately 2255 hours I was patrolling northbound on Mitchell Boulevard near Miracle Mile. I was patrolling in a fully marked patrol car while wearing the uniform of the day. I observed a white pickup truck pulling a trailer. The trucks trailer did not have any tail lights visible on it. I turned around and got behind the vehicle and observed there was no license plate on the trailer as well. I initiated a traffic stop on the vehicle at Mitchell Boulevard and North Belmont Avenue. Once I activated my overhead emergency lights the suspect vehicle began to speed up to a high rate of speed. The suspect vehicle ran a red light. I activated my emergency siren and advised dispatch I was in pursuit with the suspect vehicle. The suspect vehicle was traveling north on State Route 4. The suspect vehicle passed East Home Road, where*

*Trooper Shelton was able to join and assist in the pursuit as the backup officer. Trooper Shelton assumed radio traffic at this time.*

*The suspect vehicle fled at high rates of speed exceeding 100 MPH at times. The suspect vehicle passed same way traffic on the double yellow line, three separate occasions at high rates of speed. There was five separate occasions where the suspect vehicle would move into the oncoming traffic lane. The suspect vehicle would act as if he was going to strike head on with oncoming passenger cars and semis. I believe the suspect vehicle was trying to make it seem as if there was a greater intent of harm to the public. I believe the suspect vehicle did this to try and get the pursuit terminated. The pursuit lasted approximately 16 miles, traveling north on State Route 4. The suspect vehicle traveled through Mechanicsburg on State Route 4 at very high rates of speed.*

*The suspect vehicle entered into the village of Mechanicsburg at a speed three times greater than the posted speed limit. The suspect vehicle crashed by striking a telephone pole on State Route 4 near Wing Road, the power lines were disconnected and caused a power outage to multiple houses for approximately three hours. The suspect climbed out of the passenger side door and began to flee on foot. Trooper Shelton and I ran to the suspect vehicle and cleared it, making sure there was no more occupants in the vehicle. Trooper Shelton and I began to pursue the suspect on foot, the suspect ran into a wooded area nearby. Due to not being able to see the suspect, Trooper Shelton and I stopped pursuing the suspect and returned to the suspect's vehicle.*

*Ohio State Highway Patrol Aviation was dispatched, and once on scene aviation advised there was no sign of the suspect. During an perimeter search Sergeant Slanker located the suspect underneath a bush. Sergeant Slanker, Trooper Brown, Trooper Shelton and I advised the suspect to show us his hands. Once the suspects hands were visible Trooper Brown and I assisted the suspect out of the bush and placed him under arrest with no further conflict.*

*The suspect was identified as Tyler Druck. I advised Druck of his Constitutional Rights which he stated he understood. Druck was searched incident to arrest and placed into the rear of Sergeant Slankers patrol car. Sergeant Slanker transported Druck to the Springfield Patrol Post.*

*Trooper Shelton and Trooper Thomas stayed on scene and completed the crash investigation. During an administrative inventory of the vehicle Trooper Shelton located a small plastic bag in the glove box. The small bag contained a white crystal substance which was seized as evidence. The crystal substance was packaged and sent to the Ohio State Patrol Crime Lab for analysis and testing. The vehicle was towed by Tanners Towing. The registered owner of the vehicle was notified of the disposition of the vehicle.*

*Dispatch advised that Druck has two active warrants out of Clark County. The warrants were confirmed. I transported Druck to the Springfield Regional Hospital and had him medically evaluated and cleared. Trooper Shelton came to the hospital and stayed with Druck. Once Druck was cleared with a sprained knee being his only injury, Trooper Shelton transported Druck to the Clark County Jail. Druck was booked into the Clark County Jail.*

*Druck was cited for Display of license plate (ORC 4503.21) Rear tail lights (ORC 4513.05) Reckless Operation (ORC 4511.20) Driver seat belt (ORC 4513.263B1) Driving under a FRA suspension (ORC 4510.16A). Druck was also charged with Failure to comply (ORC 2921.331B) Possession of controlled substance (ORC 2925.11A).*
